Company names, products, logos, trade marks and any other proprietary intellectual property or otherwise belongs to the rightful owner, which is not us. You should not assume, even if a company name is in the website/domain name of this website, that there is an express, implied, or otherwise agreement, joint venture, partnership, or other relationship between us as website proprietors and any of these companies that are discussed merely for educational or other purposes.

The opinions, estimates, expectations, and projections contained in any disseminated information are accurate as of the date of release and are subject to change without additional notice. We do our best to ensure that the research has been compiled, obtained, discerned, or interpolated from reliable and trustworthy sources, and therefore believe the positions and beliefs shared are accurate and complete, though obviously not all material known or obtained will be contained, as distilling information into manageable quantity is in large part a goal. We at DOYLE CHAMBERS are not responsible for any errors or omissions contained in any disseminated material and are not liable for any loss incurred as a result of using the material in any way. The intent is merely to provide useful information, products, and services, some of which we may be compensated for.

of 1934. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, goals, assumptions or future events or performance are not statements of historical fact and may be "forward looking statements." Forward looking statements are based on expectations, estimates and projections at the time the statements are made that involve a number of risks and uncertainties which could cause actual results or events to differ materially from those presently anticipated. Forward looking statements in this action may be identified through the use of words such as "expects", "will," "anticipates," "estimates," "believes," or statements indicating certain actions "may," "could," or "might" occur.

Just as our website content does not constitute investment advice, and you should therefore consult a trained professional of your choosing, the same is true of other disciplines where expertise is gained through education, experience, and skill-building. Thus, nothing on our website or otherwise disseminated by DOYLE CHAMBERS in conjunction with it should be taken as medical, legal, accounting or other such advice. When in doubt, consult the hired help of your choosing, as you are ultimately responsible for your own affairs.

DMCA Compliance

The following describes the DMCA Compliance for our DOYLE CHAMBERS website.

We at DOYLE CHAMBERS are committed to responding to any alleged copyright violations, should they occur. Notice of any alleged violation should take the form proposed by the U.S. Digital Millennium Copyright Act as revealed at <http://www.copyright.gov>.

Remedy

If any material infringes on the copyright of any offended party, we may remove the content from DOYLE CHAMBERS, prevent access to it, terminate or block access for those responsible for the content, and/or any other action deemed appropriate. We may also pass along record of the incident for documentation and/or publication by third parties at our discretion.

Not Legal Advice/No Attorney-Client Relationship

If you believe your rights have been violated, it can be a serious matter. This DMCA notice exists solely to effectuate our efforts, as website owners, to prevent and eliminate infringement on intellectual property rights. It is no substitute for the assistance of competent legal counsel. Other remedies and action, such as against an internet service provider (ISP), may exist. You may wish to seek legal help immediately.

Notification

For your convenience and to speed resolution, notice of alleged infringement may be tendered to DOYLE CHAMBERS via email, using the email address and/or contact information provided on this website. We warn that you will be liable for any and all statutory and common law damages, as well as court costs and attorney fees, if you falsify a claim that your copyrights have been violated. Six figure awards have already been granted for bogus complaints, so seeking the help of competent counsel is advised.

Assuming you still wish to assert copyright violation, you should provide the following to speed up the process:

STEP 1. Identify in adequate detail the copyrighted item you believe has been violated, by providing the URL to the protected work, ISBN#, or otherwise.

STEP 2. Identify the URL of the webpage that you assert is infringing the copyrighted work listed in item #1 above.

STEP 3. Provide contact information for yourself (email address is preferred, phone is suggested).

STEP 4. Provide information sufficient to allow us to notify the owner/administrator of the allegedly infringing webpage or other content such as a blog or forum posting (email address is preferred).

STEP 5. Include the following statement: "I have a good faith belief that use of the copyrighted materials described above as allegedly infringing is not authorized by the copyright owner, its agent, or the law."

STEP 6. Include the following statement: "I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed."

STEP 7. Digitally sign your affirmation.

Counter-Notification

Note that the party representing the affected website or provider of content can issue a counter-notification under sections 512(g)(2) and (3) of the Digital Millennium Copyright Act, and so we may again post or link to the content in that case.

For your convenience, counter notification may be tendered via email, using the email address and/or contact information provided on this website. We warn that you will be liable for any and all statutory and common law damages, as well as court costs and attorney fees, if you falsify a claim that others' copyrights have NOT been violated.

Assuming you still wish to file a counter-notice, you should provide the following to speed up the process:

STEP 1. Identify the specific URLs or other unique identifying information of material that we have removed or disabled access to.

STEP 2. Provide your name, address, telephone number, email address, and a statement that you consent to the jurisdiction of Federal District Court for the judicial district in which your address is located, and that you will accept service of process from the person who provided notification under subsection (c)(1)(C) or an agent of such person.

STEP 3. Include the following statement: "I swear, under penalty of perjury, that I have a good faith belief that each item of content identified above was removed or disabled as a result of a mistake or misidentification of the material to be removed or disabled, or that the material identified by the complainant has been removed or disabled at the URL identified and will no longer be shown."

STEP 4. Digitally sign the affirmation.

CHANGE NOTICE: As with any of our administrative and legal notice pages, the contents of this page can and will change over time. Accordingly, this page could read differently as of your very next visit. These changes are necessitated, and carried out by DOYLE CHAMBERS, in order to protect you and our DOYLE CHAMBERS website. Federal Trade Commission Compliance

The following describes the Federal Trade Commission Compliance for our DOYLE CHAMBERS website.

We make every effort at candor regarding any products or services we use, recommend, or otherwise make mention of at DOYLE CHAMBERS. We strive to clearly differentiate between our own products or services versus those of third parties, to facilitate inquiries, support, and customer care. Likewise, just as we (and any other legitimate business) may profit from the sale of our own products or services, we may also profit from the sale of others' products or services (like any retailer) at DOYLE CHAMBERS. Additionally, wherever products or services may give rise to income generation, we endeavor to provide realistic and factual data, but highlight the fact that the variables impacting results are so numerous and uncontrollable that no guarantees are in any way made. It is our goal to embrace the guidelines and requirements of the Federal Trade Commission (FTC) for the benefit of all, and with that in mind provide the following disclosures regarding compensation and disclaimer regarding earnings & income.

Note that material connections may not be made known at every single advertisement or affiliate link. Thus, to be safe, you should simply assume there is a material connection and that we may receive

compensation in money or otherwise for anything you purchase as a result of visiting this website, and also that we may be paid merely by you clicking any link.

Amazon.com

One or more parties affiliated or associated with our DOYLE CHAMBERS website in some way may be an Amazon.com affiliate. This means that links to products on Amazon.com, as well as reviews leading to purchases, can result in a commission being earned. Again, disclosure of this material connection and the potential for compensation may not be made at every single possible opportunity. To be safe, simply assume there is a material connection and potential for compensation at all times. While this does not imply skewed or unduly biased reviews, full disclosure calls for this warning.

Compensation

You should assume that we may be compensated for purchases of products or services mentioned on this DOYLE CHAMBERS website that are not created, owned, licensed, or otherwise materially controlled by us. Stated differently, while most people obviously understand that individuals make a living by way of the profit that remains after the costs associated with providing their product or service are covered, at least theoretically there may be someone out there who does not understand that a third party can “affiliate” someone else’s products or services and be compensated by the product or service creator/owner for helping spread the word about their offering. Just compare it to retailers. They seldom produce anything, but rather make their money connecting product and service creators with end users.

Admonition

Having said that, you cannot count on anyone looking after your interests but you. So, you ought to always do your own research into various offers and opportunities, to the extent that leaves you comfortable, doing your own due diligence prior to making any purchase of any product or service from this DOYLE CHAMBERS website or any other. Here is a great set of guidelines for you to keep in mind:

First, just always operate from the position that any website proprietor, including us at DOYLE CHAMBERS, will have a material connection to the product or service provider, and may be

compensated as a result of your purchase, unless expressly stated otherwise. Aside from your purchases, note that even your actions could result in earnings for this website. For instance, there could be ads displayed on this DOYLE CHAMBERS website that we are compensated for displaying whenever a website visitor clicks on them.

Second, to the extent that we have every interest in positively furthering our business relationship with you, we certainly desire to share only those offerings that we believe will benefit you. Just because we are not the founder or originator of the product or service, we are not going to withhold knowledge of this offering from you. If you can get some benefit from it, regardless of whether or not you've taken advantage of our own products and/or services, we want you to do well. Thus, we make a good faith effort to only present to you items that we either personally use, have actually tried, or else have faith in the reputation of the provider or concept. You can count on us making this determination based on all relevant and applicable information at the time of the recommendation.

Third, despite the fact that it would be counterproductive to mention products or services that you'll find disappointing or inferior, not only are people different, but it's also possible for us to have a lapse in judgment. Thus, to be extra cautious, even if you believe in our good faith motives, you may as well go ahead and keep in mind that we could be at least partially influenced by the monetization factor of listing various products or services on our DOYLE CHAMBERS website. Furthermore, in that vein, the reality is that there are sometimes other connections between parties that are not monetary, such as personal capital, goodwill, or otherwise, that could be an underlying undercurrent swaying the decision to promote a particular offering. Due to this hypothetical possibility, you should again simply not rely solely on what we have to say, but rather just form your own independent opinion just to be safe. Finally, bear in mind that we might also receive free products or services, gifts, or review copies of items too.

Testimonials

Testimonials regarding the outcome or performance of using any product or service are provided to embellish your understanding of the offering. While great effort is made to ensure that they are factually honest, we at DOYLE CHAMBERS are not liable for errors and omissions. Aside from human error, some information may be provided by third parties, such as customers or product/service providers. The best results are not uncommonly correlated with the best efforts, discipline, diligence, and so on, and thus the results depicted cannot, in any way, be construed as common, typical, expected, normal, or associated with the average user's experience with any given product or service. Exceptional results may be depicted by our website as highlights, but you are responsible for understanding that

atypical outcomes may not reflect your experience. Aside from market conditions, products and services change over time. Older products may lose effectiveness. Newer products may not have a reliable track record.

Where products or services might pertain to earning money, the same safeguards about use of testimonials apply. Additionally, note that any related income figures are highly specific to the individual or entity that produced those results, and there can be no assurance that you will be able to leverage the same, or similar, products or services to achieve comparable results. The results, though real, may be the result of the conflation of a number of favorable circumstances that would be difficult to replicate, and so you must proceed with the knowledge that your outcome can differ from any shared on our website.

Professional Consultation

Many products and services are designed to solve problems. Common problem areas include legal, financial, and medical. We are in no way purporting to counsel you on issues related law, finances, or health. If you require guidance in these arenas, you should consider securing your own counsel from lawyers, accountants, tax professionals, investment advisors, or medical professionals before taking any action. Nothing we may ever communicate at DOYLE CHAMBERS, in print or spoken word, will ever be intended to constitute any such counsel, as we do not claim to be professionals in any of those disciplines. You assume all risk for actions taken, losses incurred, damages sustained, or other issues stemming from your use of any product or service in any way connected with or mentioned on this website. Indeed, such decision is solely your own, or else determined in conjunction with the professional guidance of the advisor of your choosing.

Use Of Products & Services

The following are facts you should be advised of if you intend to take advantage of any products or services.

The price paid for products and services change over time. Even the prices of staples and basic commodities change, and there are many factors such as supply and demand, sales and other customer acquisition incentives, and more. Price, and value, can be quite relative. Technology, innovations, product improvements, market penetration, and numerous other factors all weigh in. It is impossible to

define the “right” price for any product and service. Willing buyers and willing sellers determine price at any given time. You accept the fact that your purchase reflects your own attribution of value at the time of purchase, and that the price may increase or decrease in the future.

The outcome you experience is dependent upon many factors. Aptitude and attitude go a long way towards success with products and services in virtually any niche, whether fitness or making money. Circumstances, experience, innate abilities, personality, education, time commitments, and perseverance are just a few factors. Given the smorgasbord of interrelated variables, there is no way to reasonably predict your specific outcome with any degree of reliability or certainty.

Income-Producing Products & Services

Income-producing products & services are likewise subject to the above cautions. In addition, however, there are additional factors we like to point out at DOYLE CHAMBERS. Unlike weight loss products or self-help materials, income-producing methods are influenced by the overall health of the economy in which one operates. In times of liquidity, money flows freely and commerce is easier. In times of perceived scarcity, fear, recession, depression, or otherwise, commerce is stymied. Results can be influenced by market sentiment, just as the stock market indices around the world are swayed heavily on news.

Income-producing products & services purchased should be viewed as just that – purchases. Though they can be investments in one’s business, it is not unreasonable to expect that there may not be an express return on that investment, per se. Often, business success is the convergence of a number of factors, methods, strategies, and so on. It can be hard to peg success to one method or machination. This does not necessarily undermine value of any given product or service, as it can have an additive effect. Or, it may have no effect. Since it can be difficult to tell, you should operate on the assumption that your outcome could be zero. We make no guarantees and you should only risk what you can afford to lose on any purchases on or through DOYLE CHAMBERS.

Earnings & Income

In light of all of the factors above, impinging on the very nature of income-producing products and services, there is no way to guarantee results of any kind whatsoever. Accordingly, we affirmatively declare that we make no guarantees as to your earnings & income of any kind, at any time.

As with any business endeavor or investment, past performance is no guarantee or predictor of future performance. Any testimonials or other representations of results are for illustrative purposes only and, though every effort is made to ensure they're factually honest, they are not intended to imply or insinuate what is likely to happen with you. Your reliance on them as such is not advised.

It should be noted that "earnings & income" is so phrased with specific intent. While income may typify the earnings most either seek or are accustomed to, earnings can come in non-monetary forms. These include some forms that are abstract or intangible, and thus not even readily converted to currency or a common medium of exchange. Thus, note that all manner of compensation, including earnings of a non-income yet nevertheless beneficial form, are covered by these provisions.

Affiliates & Other Third Parties

It should also be noted that we only have control over, and thus only accept responsibility for, the content of this DOYLE CHAMBERS website authored by us. Any representations made by others should be considered prima facie unauthorized. You may also read, hear, or otherwise come into contact with commentary about any of our products & services or offerings, and should assume those have likewise not been authorized.

While information, in any form, can arise, at any time, regarding our products & services, there may be times when this results from an affiliate relationship. In other words, we may permit our products & services to be marketed through other individuals, businesses, websites, and otherwise, just as providers of goods and services use retailers and other vendors to make available what they offer.

You should not construe a third-party offer as an endorsement by that third party of any product or service. You should, more conservatively, view it as an offer to buy something. Likewise, as alluded to previously, note that we cannot fully control all marketing practices by all parties. With the use of "mirror" sites, indirect or unauthorized affiliates, "tiered" affiliate structures, and so on, policing the world wide web with any modicum of thoroughness is unlikely. We make reasonable efforts to ensure our affiliates comply with our policies and represent our products & services consistent with our guidelines. However, at DOYLE CHAMBERS we cannot always guarantee they will do so. You are always free to report concerns or abuses via our Contact information.

Customer Care

Last, but not least, please note that our role in briefing you on products and services other than our own is simply as a “matchmaker.” We do not provide any support or customer service for those items and you should always contact the owner or provider of those products or services to have any and all questions answered to your satisfaction before purchasing.

Social Media Disclosure

The following describes the Social Media Disclosure for our DOYLE CHAMBERS website.

Social Media Issue

We live in an interesting time when privacy rights are championed alongside an unprecedented voluntary willingness of people to share their most intimate and superfluous life details with the world, even in places such as our DOYLE CHAMBERS website. While apparently benign on the surface, the dangers of unrestrained public disclosure of sensitive information is beginning to surface.

Key social media players are being sued for unauthorized or abusive use/misuse of personal information. Failure to protect and warn are likely going to be focal factors. Lawsuits are filed seeking damages for statements held to be responsible for people's death or suicide. Bloggers presuming to operate under an unfettered freedom of speech or greater latitude offered to members of the press are losing civil cases for defamation, slander, libel, and so on.

As social media rapidly advances to allow more technologically sophisticated and easy dissemination, the simultaneous fallout of revelation without boundaries is mounting. Thus, a sober approach to the benefits of social media, while sidestepping the perils of imprudent disclosure, can facilitate an enjoyable online experience, without the consequences of excess, in settings such as our own DOYLE CHAMBERS website.

Presence/Scope of Social Media

You should assume that social media is in use on our DOYLE CHAMBERS website. A simple click of a button to endorse a person, product, or service is building a cumulative profile about you, which you should always assume can be discovered by others. Attempting to share a website with someone, whether by direct press of a button or else by email forwarding facilitated on a website, you should assume that this may not stop with the intended recipient, and that this can generate information about you that could be seen by a veritable infinite number of people. Such a domino effect could initiate right here on our DOYLE CHAMBERS website.

Something as simple as a blog comment provides the opportunity for knee-jerk reactions that can become public and may not truly represent a position (at least in strength or severity) that you might hold after a period of more reasoned contemplation. You should also note that the ease of accessing

one site through the login credentials of another, or the use of a global login for access to multiple sites can accumulate a dossier on you and your online behavior that may reveal more information to unintended parties than you might realize or want. Any or all of these features could exist on our DOYLE CHAMBERS website at one time or another.

These few examples illustrate some possible ways that social media can exist, though it is not an exhaustive list and new technologies will render this list outdated quickly. The objective is to realize the reach of social media, its widespread presence on websites in various forms (including this website), and develop a responsible approach to using it.

Protecting Others

You should recognize the fact that divulgements made in and on social media platforms on this website and others are rarely constrained just to you. Disclosures are commonly made about group matters that necessarily affect and impact other people. Other disclosures are expressly about third parties, sometimes with little discretion. What can appear funny in one moment can be tragic in the next. And a subtle “public” retaliation can have lifetime repercussions.

Ideal use of social media on our website would confine your disclosures primarily to matters pertaining to you, not others. If in doubt, it’s best to err on the side of non-disclosure. It’s doubtful the disclosure is so meaningful that it cannot be offset by the precaution of acting to protect the best interests of someone who is involuntarily being exposed by your decision to disclose something on our DOYLE CHAMBERS website (or another).

Protecting Yourself

You should likewise pause to consider the long-term effects of a split-second decision to publicly share private information about yourself on our DOYLE CHAMBERS website. Opinions, likes, dislikes, preferences, and otherwise can change. Openly divulging perspectives that you hold today, may conflict with your developing views into the futures. Yet, the “new you” will always stand juxtaposed against the prior declarations you made that are now concretized as part of your public profile. While the contents of your breakfast may hold little long-term impact, other data likewise readily shared can have consequences that could conceivably impact your ability to obtain certain employment or hinder other life experiences and ambitions.

As with sharing information about other people, extreme caution should be used before revealing information about yourself. If in doubt, it's likely best not to do it. The short term gain, if any, could readily be outweighed by later consequences. Finally, you should note that we are not responsible for removing content once shared, and we may not be able to do so.

Restrictions on Use of Social Media Data

You, as a visitor to our DOYLE CHAMBERS website, are not permitted to “mine” social media or other platforms contained herein for personal information related to others. Even where people have publicly displayed data, you should not construe that as though you have the liberty to capture, reproduce, or reuse that information. Any use of social media or related platforms on our website are for interactive use only, relevant only during the website visit.

Accuracy of Social Media Data

As any social media platform is built on user-generated content, you should consider this fact in seeking to determine the authenticity of anything you read. We are not responsible for verifying any user-generated content for accuracy. A best practices policy would be to view all such content as strictly opinion, not fact.

Potential Issues of Liability

You should also be mindful of the fact that your words could trigger liability for harm caused to others. While you have the right to free speech, you do not have the right to damage other people. Under basic principles of tort law, you are always responsible, personally, for situations where either:

1. you were required to act, but did not (i.e. – some “duty of care”)
2. your were required to refrain from acting, but did not (i.e. – slander, defamation, etc.)

These “sins of omission and commission” could cause problems for you, irrespective of whether you assert you are conducting business under the guise of one or more business entities. Illegal and unethical conduct, when done in the name of a corporation or LLC, is still illegal and unethical conduct. As it is rarely part of a business plan to engage in illegal and unethical conduct, you are doubtfully operating in any official capacity, but rather, perhaps, leveraging that capacity to effectuate personal wrongdoing. You should consult a licensed attorney if you wish legal advice as to the (potential) ramifications of your situation or legal problems stemming from this website or another.

CHANGE NOTICE: As with any of our administrative and legal notice pages, the contents of this page can and will change over time. Accordingly, this page could read differently as of your very next visit. These changes are necessitated, and carried out by DOYLE CHAMBERS, in order to protect you and our DOYLE CHAMBERS website. Terms of Purchase Agreement must be electronically signed by You by checking the electronic signature box found within my website and/or payment checkout process: I understand that the high-value specialized information I am now purchasing for my own use, took years or even decades to gather and assemble into workable systems of action. DOYLE CHAMBERS' SYSTEMS HAVE ALWAYS ATTRACTED THE MOST SERIOUS INDIVIDUALS WHO RECOGNIZE GENUINE HIGH-VALUE SYSTEMS. Unlike most greenhorn entrepreneurs, Doyle Chambers does not resort to outlandish money-back guarantees and no such policy is expressed or implied. I completely agree that by purchasing this high value information to better my own circumstances, it is not fair or possible to request or obtain a refund of the purchase price. It is a well established industry standard - that music CDs, movie DVDs and computer software have a no refund policy. It should also make sense that high value specialized information have a no refund policy. I understand and agree that all orders are final after processing payment and cannot be canceled for any reason. After processing your payment, you will be able to download any products through a download link on the final download page. If you are unable to download the product successfully through the download page, then your order will be sent to you by email. If sending your order by email fails, then your order will be sent to you by regular first class mail. I agree never to infringe upon Doyle Chambers' copyrighted material by giving away for free or selling at any price Doyle Chambers' material to anyone, by any means, in part or as a whole. I agree never to hold Doyle Chambers liable or bring suit upon Doyle Chambers and/or his Associates. If you do, you agree to pay for all attorney fees of Doyle Chambers and to hold court in Hunt County, Texas. I agree that I am buying as information only and no sales or income is due or promised. Your electronic signature says you fully agree with all stated above.

In no way does this make me an employee of Doyle Chambers, and I am responsible for my own Federal, State and Local Taxes. I understand that I am solely responsible for my success in this program; that all commissions paid to me through Doyle Chambers are from the sale of the product; that Doyle Chambers does not guarantee any specific earnings from the Two-Level Dealer Profits Plan or from use of the product. I also understand that I am not obligated to market the product and if I choose to market it, then I accept full responsibility for the manner in which I choose to market it. No guarantees as to amounts made or to be made are to be used to entice marketing participants.

Doyle Chambers' other available systems are optional. However, I can only earn dealer commissions on the specific System products I have actually purchased myself. Unlike most illogical entrepreneurs, Doyle Chambers does not resort to outlandish money-back guarantees and no such policy is expressed or implied. I understand and agree that all orders are final after processing payment and cannot be cancelled for any reason. I agree that I am buying as information only and no sales or income is due or promised.

Void where prohibited by law. Doyle Chambers reserves the right to make changes in this program to comply with all Federal, State and Local Laws. Permission is granted to authorized dealers only to copy, providing no changes are made to this © Letter. Your submitted order signifies you fully agree with all terms stated above.
